FERNDALE, MICHIGAN 48220 (746) 399-5100

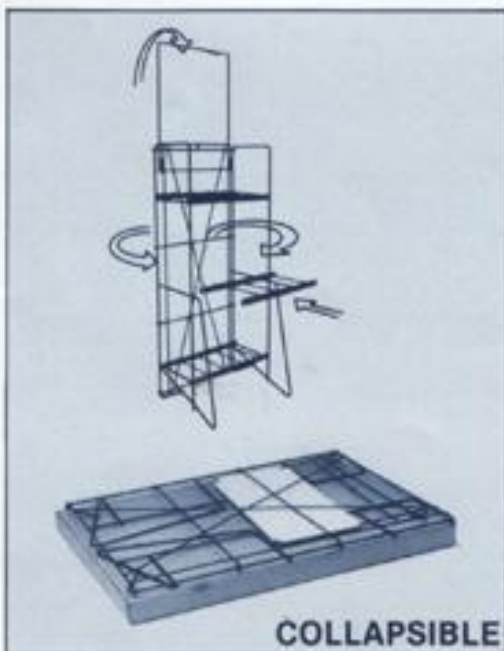

MID-WEST WIRE PRODUCTS, INC.  
Quality Products Since 1927

**FEATURES**

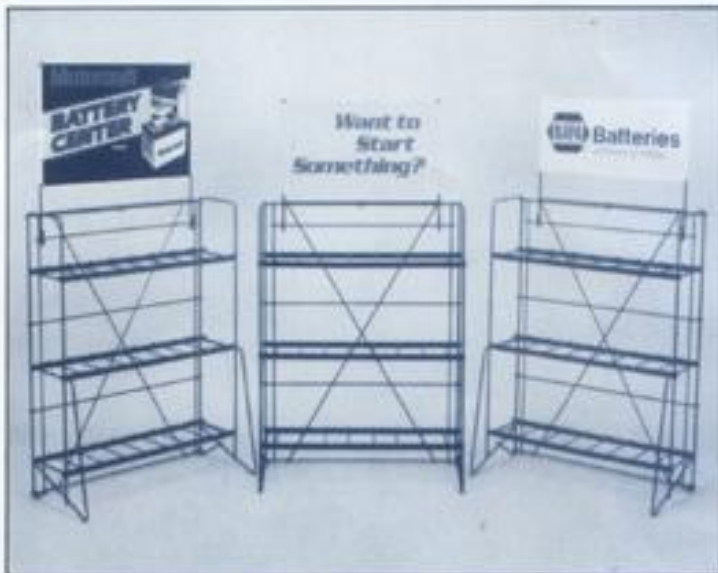

These sturdy battery racks are constructed of heavy gauge quality steel, and hold up to nine batteries, depending on size. Specially treated with the Polyseal process to give the appearance of wrought iron, the rack is up to ten times more impervious to battery acids and corrosion than racks painted or zinc plated.

The optional top frame affords ample space for your selling message, and is detachable.

**QUICK & EASY ASSEMBLY ...**  
(no tools required)

**COLLAPSIBLE**

**CONVENIENT**

**CUSTOMIZED**
